2020-21

Spreading Awareness for Educational Themes

In response to the challenges posed by the COVID-19 pandemic, our college students launched a community outreach program focused on spreading awareness about educational themes online. This initiative was designed to support continued learning and provide valuable resources to students and educators during these unprecedented times.

The Online Educational Awareness Campaign was a vital initiative by our college students to support the educational needs of the community during the challenging times of the COVID-19 pandemic. By providing resources, hosting webinars, and offering mentorship, we aimed to ensure that learning could continue without interruption.

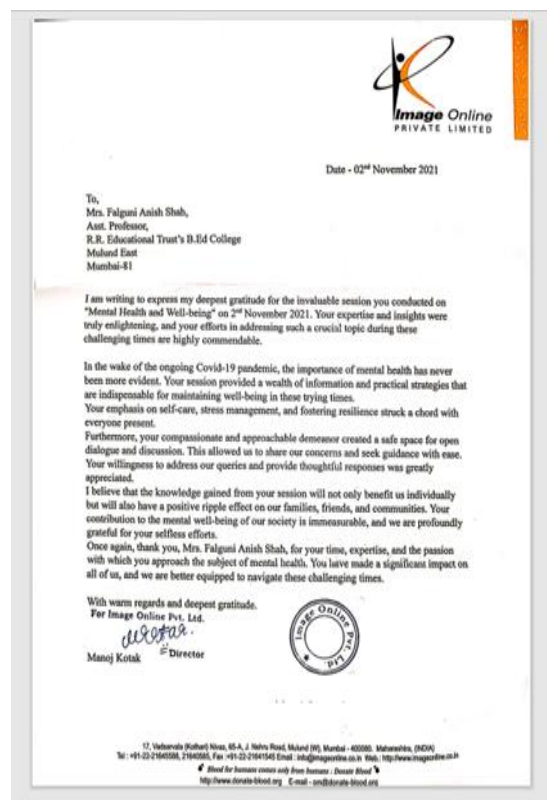

R.R. Educational Trusts B.Ed. College

2020-21

"Session on Mental Health and Well-being"

Recognizing the critical importance of mental health during the COVID-19 pandemic, our college faculty initiated a community outreach program focused on the theme of "Mental Health and Well-being". Faculty of R.R. Educational Trusts B.Ed College Mrs. Falguni Anish Shah gave a program was designed to provide support, resources, and information to individuals and families facing the emotional challenges brought on by the pandemic.

The "Mental Health and Well-being" community outreach program exemplified the dedication of our college faculty to address the mental health needs of the community during the challenging times of the COVID-19 pandemic.

R.R. Educational Trusts B.Ed. College

2021-22

“Mask Making and Distribution”

In response to the critical need for protective measures during the COVID-19 pandemic, our college students launched a community outreach program focused on "Mask Making and Distribution". This initiative aimed to address the scarcity of masks while promoting safety within our community.

The "Mask Making and Distribution" community outreach program exemplified the dedication of our college students in addressing a critical need during the COVID-19 pandemic. Through mask production, and distribution efforts, participants actively contributed to community safety and well-being.

R.R. Educational Trusts B.Ed. College

2021-22

“Indoor Plantation”

In response to the challenges posed by the COVID-19 pandemic, our college students initiated a community outreach program focused on promoting the cultivation of indoor plants. This initiative aimed to encourage a sense of well-being and create a positive and green environment within homes, where people were spending more time due to lockdowns and social distancing measures.

Community outreach program exemplified the commitment of our college students to promote well-being and community engagement during the challenging times of the pandemic. By encouraging indoor gardening, participants created a positive and green environment within their homes.

2021-2022

Making and Distribution of Paper Bags

A Community Outreach Program was organized in the college by R.R. Educational trusts B.Ed. The event focused on making paper bags and distributing in the society. The event also focused on promoting sustainable practices and commemorating. The Paper Bag Making and Distribution Drive on Gandhi Jayanti served as an effective means to promote sustainable practices within the community while paying homage to the values of Mahatma Gandhi. The event not only resulted in the production of eco-friendly paper bags but also raised awareness about the importance of reducing plastic waste.

R.R. Educational Trusts B.Ed College

2021-2022

Street Play on Save Food Awareness

Our college students organized a dynamic street play performance on the theme "Save Food" within the local community. This initiative was designed to create awareness about the critical issue of food wastage and to inspire sustainable practices among community members.

The Street Play on "Save Food" was an impactful endeavour to address the critical issue of food wastage within our community. Through engaging storytelling and interactive discussions, we successfully instilled a sense of responsibility towards food conservation.

R.R. Educational Trusts B.Ed. College

2021-22

Awareness Drive on Measles

Our college students organized a Measles Awareness Drive in R.R. Global School with T Ward, aimed at educating students about the importance of measles vaccination and preventive measures. The event was part of our ongoing commitment to community health and well-being. The Measles Awareness Drive was a commendable effort by our college students to empower the younger generation with knowledge about measles and the importance of vaccination. Through interactive presentations, role-plays, and informative materials, students were equipped with vital information that can safeguard their health and contribute to community well-being.
